

# Fly Soup

Comedy scene by Samuel Stokes

WAITER: Are you ready to order?

CADE: Yes, I'll have the chicken soup.

KENNEDY: And I'll have the house special.

CADE: So how have you been? I don't think I've seen you in a couple of weeks.

KENNEDY: You know, I can't complain. Work is work, but at least I enjoy what I do. I might even be up for a promotion next month.

CADE: Oh really? That's great!

WAITER: Here's your soup.

KENNEDY: Thank you.

CADE: Thank you.

KENNEDY: I just love the soup here.

CADE: I don't believe I've ever eaten here before.

KENNEDY: It's the best soup ever, guaranteed.

CADE: Well, I guess I'd better try some. Mmmm, that is yummy!

KENNEDY: I told you!

CADE: Hey, wait a minute! There's a fly in my soup!

KENNEDY: So what?

CADE: What do you mean "so what"? There's a fly in my soup!

KENNEDY: And?

CADE: There isn't supposed to be a fly in my soup!

KENNEDY: Just think of it as bonus protein.

CADE: Are you crazy? I don't want to eat a fly!

KENNEDY: Suit yourself.

CADE: Waiter, waiter!

WAITER: May I help you?

CADE: There's a fly in my soup!

WAITER: Yes, I truly hope you enjoy it.

CADE: But I didn't order a fly!

WAITER: It's bonus protein.

KENNEDY: Told you.

CADE: I ordered chicken soup, that should be all the protein, I need. Thank you.

WAITER: Yes, well, there's no extra charge for the fly.

CADE: But I don't want the fly!

WAITER: Well, I'm afraid you should have stated your dietary needs before placing your order.

CADE: It's not a dietary need, it's just disgusting to eat flies!

WAITER: Your friend doesn't seem to think so.

CADE: What?

KENNEDY: Yeah, I ordered the fly soup.

CADE: The house special is fly soup?! You have got to be kidding of me!

WAITER: It's full of...

CADE: Protein, I know. But wait a minute, aren't you vegan?

KENNEDY: Yeah, so?

CADE: Vegans don't eat flies, do they?

KENNEDY: Why not?

CADE: Well, flies are animals, right?

KENNEDY: No, they're insects.

CADE: Well, aren't insects animals?

KENNEDY: No, I don't think so.

CADE: Yeah, I'm pretty sure they are.

KENNEDY: Well, in my particular type of veganism, you can eat flies.

CADE: Okay, but why would you want to?

CADE and KENNEDY: Protein.

KENNEDY: Right, I knew that.

*(KENNEDY sees a cockroach crawling across the table)*

KENNEDY: Aaaah! There's a cockroach crawling on the table.

*(KENNEDY smashes the cockroach. CADE and KENNEDY slowly look up at each other)*

CADE: You gonna eat that?
