

# Two Special Snowflakes

By Samuel Stokes (<https://www.SamuelStokesMusic.com>)

2 Characters: SNOWFLAKE 1, SNOWFLAKE 2

Running time: Approx. 2 minutes.

SNOWFLAKE 1: I am a snowflake. I am unique. There is no other snowflake exactly like me. My differences make me special, and I'm special because of all the things that make me different from other snowflakes.

*(SNOWFLAKE 2 floats onto the stage next to SNOWFLAKE 1)*

SNOWFLAKE 2: I am a snowflake. I am unique. There is no other snowflake exactly like me. My differences make me special, and I'm special because of all the things that make me different from other snowflakes. *(During this speech, SNOWFLAKE 1 looks shocked and upset that SNOWFLAKE 2 said the exact same speech)*

SNOWFLAKE 1: Hey, that was my special monologue! No one else has the same special snowflake monologue as me!

SNOWFLAKE 2: Uh-uh! That's *my* special, unique snowflake monologue, because it's different than all of the other snowflake monologues in the world.

SNOWFLAKE 1: But you said the exact same monologue as me!

SNOWFLAKE 2: No way, it couldn't have been, because mine was special and unique.

SNOWFLAKE 1: But you just repeated the same monologue I just finished saying!

SNOWFLAKE 2: *(floundering)* Well, mine was *more* special and *more* unique than yours.

SNOWFLAKE 1: There's no such thing as being *more* unique. Something's either unique or it isn't.

SNOWFLAKE 2: Okay, fine, then I'm the unique one, and you're, you're just a copycat.

SNOWFLAKE 1: But I said it first! You're the copycat!

SNOWFLAKE 2: Uh-uh.

SNOWFLAKE 1: Uh-huh.

SNOWFLAKE 2: Uh-uh.

SNOWFLAKE 1: Uh-huh.

SNOWFLAKE 2: Well, who cares anyway? I think it's time for me to do my special, unique snowflake dance.

*(SNOWFLAKE 2 does a few tap dance steps and ends with a flourish)*

SNOWFLAKE 1: *(smirking)* Well, I think it's time for *me* to do *my* special, unique snowflake dance.

*(SNOWFLAKE 1 does the exact same tap dance steps and ends with the same flourish)*

SNOWFLAKE 2: Hey, that was *my* special, unique snowflake dance!

SNOWFLAKE 1: Not anymore!

SNOWFLAKE 2: Fine, then I have a *new* even *more* special and *more* unique snowflake dance!

*(SNOWFLAKE 2 contorts into a really uncomfortable position and bounces around the stage and ends with an awkward flourish)*

SNOWFLAKE 1: *(stunned)* Uh... you win!

*(SNOWFLAKE 1 exits and SNOWFLAKE 2 curtsies to the audience and then exits)*
